IF YOU WISH,

YOU CAN MAKE

DREAMS

COME TRUE

What matters in the last analysis is what we are-

It doesn't really count for too much to become wealthy, to be famed and renowned or to be loved or hated.

What is important is how we live in peace within ourselves. And this peace is earned only by actively caring for the creation that touches us; by sharing ourselves and ours with those we encounter, by daring to be courageous for the good, and true, and real.

That is what is really important.

In the past, Kearney's Varsity Basketball Team has always been strong and successful. The same holds true for the team this year. With the outstanding coaching techniques of a new coach, Miss Grace Hansen, the team, once again, rose to the top. It was plenty of hard work, but the times were made enjoyable by having Sister Dolores McMahon wipe away any doubts that the team may have had. The captains helped to keep the girls alive and spirited which added to their successfulness. Everyone looks forward to another outstanding season next year.

The Kearney Varsity Cheerleaders showed the same excellence and enthusiasm this year that they have shown for so many years. Each year, the #1 Cheerleaders dedicate much of their time and effort supporting and sustaining the spirit of the Varsity Basketball Team and upholding their first place title in competion. The long, hard hours spent by the girls help them not only to win but to bring them closer together. Their many achievements would not have been possible without the support and understanding of their moderator, Miss Janet Gerlach.

IN LOVING AND BEAUTIFUL MEMORY

Dear Friends at Kearney,

Words cannot express our appreciation and thanks for the wonderful experiences we've had at Kearney. There was laughter as well as tears but what we will remember most are the good things and times that have come out of our years spent at B.K. how we have learned so many valuable lessons in and outside of class. All these memories shall always be treasured and cherished in our hearts forever. Thanks to you all.

With Love
Barbara Wasieleski
Rajni Aggarwal

The past four years here at Kearney have been the best years of my life. The friends I have made have given me enough beautiful memories to last a lifetime, and I am really sorry to have to see it all end so soon.

The experiences I have shared with the Kearney family are ones I will always remember and cherish. Saying good bye to these years is a very hard thing for me to do.

It seems like only yesterday we began, and now just when we realize how important we are to each other, it is coming to an end. The beautiful memories will be in my mind forever . . .

Paulette Porpora

To all my beautiful friends,

Our four years in Kearney will probably be one of the most important times in our lives. It is hard to put down in words my feelings of what we have experienced here. We have grown together, laughed and cried, but most of all we have learned more about life, each other and ourselves. Although we are leaving and we will go our own ways, we will always have the precious memories. Our life is just beginning and what a great headstart we got.

Take care and love to all

Patricia Augelletta

Farewell!
Thank you girls . . . for everything;
The times you talked,
The times you listened,
The times you cared,
The times you were mad . . .
These memories will be treasured forever

Celie Jennings

Thanks for the memories and the friends we have made at Kearney. These past four years will be part of our lives forever. We have grown, learned, and changed ... together.

The close friendships we have made have made our good times great, and the bad times bearable.

May we all continue to grow, change and learn in the future as we have done in the past. May some of us, if not all, remain friends forever. They are friends we will never forget. May there always be the Good Times.

Flatbush and Bay Ridge

Well, my friends, the end is finally here. What can I say about all the times we had together here at Kearney?
We all came to Kearney four years ago, alone and frightened children. Now it is time to leave-as women. The past four years paved the way and changed us into what we are today and what we will become tomorrow. Even though the time has come for our paths to part, I will always hold the memories deep in my heart.
Take Care

Donna Corrado

Although our dreams, goals, and paths for the future are different, in our hearts we will always be as one just as Kearney is number one.

And so this is not the end, but the beginning of a new tomorrow, a new life awaits ...

Farewell, my friends, I will always treasure the memories ...
